

Reflective Tape Properties

REFLECTIVE TAPE	Backing		Domestic or Industrial wash
XM-6007C Trio			

Description

Segmented silver heat transfer reflective material with excellent retro-reflective properties. Features extra breathability due to segmented design. Recommended for use with EN 20471 knitwear to provide safe, functional and comfortable workwear. Using a heat press or simple ironing, you can add this reflective trim to workwear for added safety and style in the workplace.

Product Construction

Features extra breathability due to segmented design. It is recommended to use for EN 20471 knit clothing to have safe, functional and comfortable workwear.
